1. About the University

The intention behind establishing Al Ain University came in response to guidance from His Highness the late Sheikh Zayed Bin Sultan Al-Nahyan, the first President of the UAE. This was in regard to nurturing the people of the UAE on foundations of knowledge and science and to contribute to the development of the UAE, as well as responding to the challenges precipitated by the twenty-first century evolution of technology and mass media.

Great consideration was also taken in regards to the Federal Law No (4) of 1992 when establishing the Ministry of Higher Education and Scientific Research and in relation to the rules and regulations of licensing higher educational institutions, as well as to the MOHESR's "Standards for Licensure and Accreditation" 2003.

Upon the completion of all studies conducted for the purpose of establishing this educational monument with a vision of its own, a constructive philosophy and a creative mission had developed. Al Ain University was established in 2004 with full commitment to the rules and regulations issued by the MOHESR.
