Al Ain University and the “Sandooq Al Watan” collaborate to empower youth

In the presence of His Excellency Sheikh Nahyan bin Mubarak Al Nahyan, Minister of Tolerance and Coexistence and Chairman of the Sandooq Al Watan, as part of the «Open Day for Employment» organized by the Sandooq Al Watan at Manarat Al Saadiyat in Abu Dhabi, to empower youth in the private sector and enhance their capabilities to enter the entrepreneurship field, Al Ain University (AAU) has signed a cooperation agreement with Sandooq Al Watan to launch the National Network for Business Incubators, which was also signed by a group of business incubators in the country, in the presence of several ministers, prominent businessmen, Emirati investors, leaders of over 30 business incubators

and accelerators nationwide, and more than 500 Emirati youth seeking job opportunities in the private sector alongside the Fund's partners, board members, and His Excellency Yasser Al Qarqawi, the Director General of the National Fund. In addition to the agreement signing, the events featured an exhibition showcasing the Fund's notable works and successful experiences of Emirati youth.

Prof. Ghalab Al Refae, AAU President, stated that the collaboration between Al Ain University and Sandooq Al Watan is a long-term partnership that emphasizes both parties' keenness to empower the

AAU participated in the WEEC 2024

Al Ain university (AAU) actively engaged in the 12th World Environmental Education Congress (WEEC 2024), to emphasize its commitment to environmental issues and sustainable development. AAU's professors presented a variety of research presentations discussing environmental issues, and the university also participated in the accompanying exhibition, showcasing its community initiatives in climate, environmental sustainability, and environmental education.

The hosting of this global conference by the United Arab Emirates reflects its commitment to environmental sustainability. Al Ain University, aligned with this vision, is dedicated to applying the highest standards of environmental sustainability through education, scientific research, community activities, and university infrastructure. The university is committed to providing high-quality education, organizing conferences,

workshops, and launching initiatives that serve the youth and contribute to enhancing sustainable entrepreneurship for the future.

Al Ain University takes pride in its ranking as the 5th in the United Arab Emirates in the 2024 QS World Sustainability Ranking. Additionally, the university has achieved advanced positions in Sustainable Development Goals, ranking 6th globally in Goal 4 (Quality Education), 33rd globally in Goal 5 (Gender Equality), and 88th globally in Goal 8 (Decent Work and Economic Growth). The university is also a member of the Universities Climate Network, a network of 33 local universities collaborating in education, research, and community service in environmental protection and climate change mitigation.
