## Al Ain University Students Visiting a Juvenile Care Center

The Deanship of Students Affairs at the Al Ain University of Science and Technology, Abu Dhabi-based, organized with the students a visit to the Juvenile Welfare Centre under the supervision of Dr. Ayad Abdul Majeed, Deputy Dean of Student Affairs, Dr. Aisha Muhsin, a faculty member at the university.

The Colonel, Dr. Abdallah Buhindi, who is also the Director of the Center for Juvenile Care, showed to the students a delegation about the plans and activities of the pith, its role in events, the social changes for the event, adaptation to the social environment and its concept of societal dominance.

Dr. Buhindi said that the center functions on a case-by-case basis to develop an appropriate treatment plan according to the psychological and social study. He too observed that the center provides many educational and amateur activities, organizes community events, presentations and social and psychological workshops.

During the presentation, students have ascertained about the vision and ways of the center. In the final stage, the student delegation toured the center facilities, and has found out about different body processes that ensure care events.
