## A Lecture entitled "What are the Benefits of this Course?" in Al Ain University

Organized by the Deanship of Students Affairs at Al Ain University of Science and Technology, based in Abu Dhabi, with the College of Business Administration a lecture entitled "What are the Benefits of this Course?" The lecture was presented by Dr. Mohiuddin Adnan, a member of the Faculty in the College of Business Administration, in the presence of a number of academic and administrative bodies and university students.

The presenter provided a detailed explanation to raise the students' awareness about the purpose of studying different courses in the business school and learn some science in this context. The presenter has also referred to the faculty by encouraging their students to ask questions beyond their learning materials to, essentially, make students capable of linking subjects which they study in their future and social lives, as well as their careers in order to increase interest in their programs that examine and improve their academic and cognitive levels.
