Al Ain University get the Highest QS Stars Ratings for Teaching

Al Ain University (AAU) has received the highest ratings (5-stars) in Teaching and Inclusiveness categories, based on the “QS Stars Rating System”, operated by QS (the independent compiler of the QS World University Rankings since 2004).

The system evaluates the universities across a wide range of important performance indicators as set against pre-established international standards. By covering a broader range of criteria than any world ranking exercise, QS Stars shines a light on both the excellence and the diversity of the rated institution. The universities are awarded a rating of one to five stars (highest rating), depending on their performance within the evaluation.

In addition, for being rated 5-stars (highest rating) in Teaching and Inclusiveness categories, AAU got full points in the following indicators: Overall Student Satisfaction, Satisfaction with Teaching, Further Study (Proportion of students pursuing further study within 12 months of graduation), Scholarship and Bursaries, Disabled Access, International Faculty, International Students, IT Infrastructure, and Industrial Research.
