Police College – Abu Dhabi Honors Al Ain University

As part of its unflagging effort to build bridges of communication with the Ministry of Interior, Al Ain University of Science and Technology participated in the specialized courses organized by the Officers Training Institute at the Police College – Abu Dhabi.

During the one-week course, Dr. Zuhrieh Shanaa, Associate Professor at the College of Education, delivered lectures on the skills of academic advising which 89 officers from the different sectors of the Ministry of Interior attended at the Police College – Abu Dhabi.

The training courses focused on the educational environment in higher education and the resulting challenges such as integrating technology in teaching, e-learning, and the credit hour system and their effect on the teaching process and academic advising highlighting the importance of preparing qualified cadres and increasing their ability to shoulder the responsibility as they are essential in the development process.

Dr. Zuhrieh Shanaa mentioned that the courses aim to equip participants with the necessary

knowledge and skills as well as provide them with the basic concepts pertaining to scientific and academic methods and their implementation to enhance excellence and quality. In addition, participants were introduced to a wide range of concepts that lead to building a practical culture revolving around teamwork and high performance.

Major General Mattar Salem bin Mesayed *Al Neyadi*, General Director of E-Services and Telecom at the UAE Ministry of Interior, attended the graduation ceremony where he presented a certificate of appreciation in gratitude for the benefit the participants reaped from AAU's contribution to the course.
