## Western region educational exhibition

Al Ain University of Science and Technology took part in the Western Region's Universities and Colleges Exhibition organized by the Western Region's Development Council. AU's participation in the exhibition, held on May 23 and 24, varied in terms of location where the exhibition started in Zayed City and then moved to Ghayathi. During the exhibition, the organizers arranged visits by high school students from the Western Region. AU's pavilion attracted lots of students who inquired about the programs offered by AU, tuition fees, and admission requirements. At the end of the exhibition, the organizers commended AU's distinguished participation in terms of handling students' queries and handing out giveaways to visitors.
