Comprehensive Health Day at AAU

Under the title "A Healthy Vision for A Health Body", the AAU Deanship of Student Affairs, in collaboration with Dr. Nutrition Center, organized a health event at AAU campus in Abu Dhabi. During the event, the participating centers offered medical consultation including, eye, BMI, blood pressure, nicotine level, and osteoporosis tests as well as providing advice to students, faculty, and staff. Moreover, awareness brochures were distributed, and the specialists made sure to answer questions and inquiries concerning all health issues.

Dr. Zuhrieh Shanaa, Deputy Dean of Student Affairs, explained that the event is one of several AAU activities aiming at spreading awareness among students. She expressed her gratitude to all participating centers that played a positive role in providing comprehensive medical advice and contributed to enhancing health awareness among students.
