Al Ain University Holds Iftar Banquet

On the occasion of the holy month of Ramadan, Al Ain University of Science and Technology in Abu Dhabi and Al Ain organized an 'iftar' banquet for the faculty and staff. The AAU Chancellor, department heads, faculty, and staff attended the 'iftar'.

Dr. Noor Eldeen Atatreh, AAU Chancellor, greeted the staff on the occasion of Ramadan. He expressed that holding this 'iftar' comes in the spirit of solidarity and compassion characterizing the holy month of Ramadan. It also reinforces the ties linking AAU staff to each other. Holding such events where AAU staff come together is in line with the AAU policy to promote cooperation and the one-team spirit.

Dr. Atatreh added that the 'iftar' contributed to bringing AAU staff together in a friendly, comfortable atmosphere promoting social commitment. Organizing Ramadan 'iftar' is a modest gesture in appreciation of the staff's continued hard work and loyalty.

At the end of the gathering, staff expressed their appreciation and wishes to the administration wishing everyone a happy and successful year.
