## **AAU Chancellor Receives 'Escuela De Finanzas' President**

Dr. Noor Aldeen Atatreh, Chancellor of Al Ain University of Science and Technology, discussed methods of academic and research cooperation with Prof. J. Venancio Salcines, President of the Escuela De Finanzas – Global Business School, Oleiros, Spain.

The meeting took place as the AAU Chancellor received Prof. Salcines and the delegation from the Escuela De Finanzas – Global Business School at AAU campus in Al Ain.

Dr. Atatreh briefed the visitors on AAU's activities and programs in addition to the university's future development plans especially with regard to augmenting quality programs with internationally renowned academic institutions.

On his part, Prof. Salcines expressed his admiration of the level of services and quality education offered at AAU. He reiterated that the Escuela De Finanzas – Global Business School will be honored to collaborate closely with AAU to help advance students' education.
