AAU Participates in Second Universities Forum

As part of the commitment to maintain communication with students of all fields, Al Ain University of Science and Technology took part in the 2014 Second Universities Forum held at Al Manhal International Private School in Abu Dhabi.

Through its pavilion, AAU interacted with students and parents as the forum poses a great opportunity for students and parents to get to know AAU's program offerings. Hence, AAU staff guided students and addressed all queries.

It is worth mentioning that AAU offers fifteen undergraduate programs offered through five colleges: the College of Engineering and Information Technology, the College of Pharmacy, the College of Law, the College of Education, and the College of Business Administration in

addition to an MBA program, MA in Private Law, MA in Public Law, MA in TESOL, and the Professional Diploma in Teaching all of which are accredited by the UAE Ministry of Higher Education and Scientific Research.
