Al Ain University of Science and Technology visits GITEX Technology 2014

In the interaction with the local community, the Deanship of Students Affairs at both campuses organized a visit to the GITEX Technology 2014 exhibition, one of the largest trade shows in the region. The expo included the latest technology and a broad range of interesting promotional offers of more than 30,000 items offered by major retailers and major brands.

The pupils were brought out to the latest electronic and intelligent applications on show for local and global entities, all under utilizing technology in practice in the university.
