## Lecture and Heart Screening at AAU

On the occasion of World Heart Day, the Deanship of Students Affairs at the Al Ain University of Science and Technology cooperated with the NMC Hospital for a group of medical exams for the attendants. The talk of awareness was presented by Dr. Joseph Jabbarat Allah, in the presence of members of the academic and administrative bodies and a routine of university scholars.

The lecturer spoke about the importance of maintaining a healthy heart and noted the need to raise awareness of this issue by encouraging good nutritional habits and reduced risk behaviors and lifestyle such as smoking, physical inactivity and poor nutrition. On the sidelines of the event, Max Beauty Center and Dental Health Beauty participated effectively to "radiate beauty" and to provide a number of tips and instructions, as they distributed a set of free gifts to the audience.
