## **Workshops in the English Language at AAU**

The Continuing Education Centre, in cooperation with the General Requirements Department and the English Language Center at the Abu Dhabi-based of AAU, organized a workshop entitled "English for Special Purposes (ESP) and Real Life English". It was presented by Mr. Asad Usman, a faculty member in the English Language Centre, in the presence of members of the academic and administrative bodies and a routine of university scholars.

The workshop included several themes such as using the speaking skill in English in publicity, a written report on how to compose correct sentences and a written report on how to apply some of the verbs in sentences as well as complements, the mobilization of some models in the scope of employment and public spirit.
