AAU organized a lecture entitled “What is Marriage” ?

Anxious to pay attention to the cultural and social awareness among students, the Deanship of Student Affairs at Al Ain University of Science and Technology –Al Ain Campus- organized a lecture entitled "What is Marriage?" under the slogan "Together we plan for happiness" in cooperation with the Family Development Foundation. The lecture was presented by Mr. Arafat, Saif Al Kaabi, with the presence of a number of academic staff and students of the university.

The lecture dealt with several aspects of women and men in terms of the natural differences between them, their values, ideas, and needs. He also explained the psychological statutes of both of them and the way to adjust themselves to pressure.

Then, he talked about the most important reasons of a successful discussion between men and

women, notably: Choosing the right place, Choosing the right place and time, to clarify their matter and their causes by opening a discussion with pros and not with any cons.

Mr. Arafat also set a group of examples of some dialogues that may revolve between men and women during their lives, how to deal and accept them as stated.

It is noteworthy, that the lecture had a positive response from the academic faculty and students of the university, and at the end of the lecture Mr. Arafat was honored in recognition of his efforts in the provision of such a lecture.
