AAU organized a workshop entitled “Training of Trainers”

The College of Business at Al Ain University of Science and Technology –Abu Dhabi Campus-organized and conducted an intensive internal workshop entitled “Training of Trainers” by Dr. Ahmed Shuhaiber - a Faculty member in the Business College, for faculty members from different departments.

The aim of this workshop is to provide successful training techniques about starting a training workshop, building SMART training objectives, delivering a training material, achieving better learners’ engagement, comparing training methods and evaluating training courses.

Participants actively took part in the workshop by answering quick questions, playing games, as

well as sharing their training notions and experiences.
