A Workshop at AAU on How to Publish Indexed Journals in Scopus

In coordination with the Deanship of Scientific Research and Graduate Studies, Khalifa Library at Al Ain University of Science and Technology, Abu Dhabi and Al Ain Campus, organized a workshop on "How to Publish in Indexed Journals in Scopus". The workshop was conducted by Mr. Wael Mansour, Customer Consultant-Research Intelligence for Elsevier in the Middle East, who discussed many important issues, including the process of identifying and selecting appropriate journals for research papers, and how to effectively use journal performance through Scopus journal metrics. The workshop was attended by the Deans, Deputy deans, Academic staff and Library staff.

This workshop comes from the AAU's keenness to develop the scientific research and researchers.
