AAU honors the Distinguished Students

Al Ain University of Science and Technology honored its distinguished students for the second semester 2016-2017 from different colleges, in the presence of Prof. Ghaleb El Refae, AAU Vice President, Prof. Abdulhafid Belarbi, AAU Vice President, Dr. Ibtehal Aburezeq, Dean of Student Affairs, college's Deans, academic staff and the student's parents.

Prof. El Refae stressed on that excellence requires intensive efforts, and serious work to achieve, recommending the students to keep updated with the latest knowledge and information sources. He also stressed on the parents' roles in supporting the students and providing the right environment for them.

For her part, the Dean of Student Affairs said that excellence is not limited to academic aspect but reflects the life style. She added that this ceremony aims to encourage the students to continue their excellence and make more effort in the academic achievement.
