AAU students completed the Abu Dhabi Science Festival Training

Al Ain University of Science and Technology, Al Ain Campus, in collaboration with the Department of Education and Knowledge completed successfully its preparation to participate in the Abu Dhabi Science Festival by completing a number of training courses for the AAU Students who are participating as scientific guides in the Abu Dhabi Science Festival. The festival will be launched in the period between 9-16 Nov 2017 at Al Ain Zoo.

The Scientific guidance included a set of scientific experiments in science and technology fields to inspire young minds to look at the world through inquisitive eyes and help their learning development.

Dr. Ibtehal Aburezeq, Dean of Student Affairs, said that the participation of AAU students as scientific guides at the Abu Dhabi Science Festival gives them the opportunity to acquire new skills that will be beneficial to their future lives.

Al Ain University of Science and Technology participates in the Abu Dhabi Science Festival continuously to promote their communication skills and self-confidence.
