CEC at AAU organized a Training Course for DIB Employees

Continuing Education Center at the Al Ain University of Science and Technology, Abu Dhabi Campus, organized a training course entitled “Legal Writing” for the Dubai Islamic Bank employees, presented by Dr. Suhaib Shraira from the College of Law at AAU.

Dr. Shraira discussed the importance of legal writing in the modern era, its main characteristics and types, how to prepare legal texts and avoid mistakes, he also illustrated the fundamental differences between legal writing and illegal writing.

This training course aims to develop the participants’ skills in the field of legal writing to avoid problems that they may face during their work in the future, in addition to raise the efficiency of

individuals and institutions alike through developing their skills of human capacity building, to reflect positively on their business in terms of performance and higher rates of productivity.

Mr. Hazem Hussain, Training and Business Development Executive, said that organizing such training courses aims to establish an integrated educational and developmental training center using the latest technology to ensure the creation of an educational and training environment suitable for innovation and creativity that will meet the requirements of customers. Which also meets Al Ain University of science and technology strategy to support, develop and meet the needs of the community.

The course received positive feedback from the participants and at the end of the course, certificates of participation were provided to them.

Mr. Hazem and Dr. Suhaib provided their special thanks to the management of DIB for their efforts and wished further cooperation between the two parties.
