Make them smile in the “World Autism Day”

Under the slogan “Give them a Smile”, the AAU’s students visited Al Ain Center for Care and Rehabilitation within the student’s visit organized by the Deanship of Student Affairs –Al Ain Campus- on the occasion of the “World Autism Day”.

The visit contained different activities such as: Playing with kids and organizing competitions, giving gifts, face painting, offering snacks, as well as children’s playing with their favorite cartoon characters.

Organizing this visit aims to draw the smile on the children’s faces, providing psychological and moral support to them, promoting the idea of integrating them into society and providing them with the necessary care.
