The College of Engineering honored its distinguished students in its “Second Annual Ceremony”

For the second time, the College of Engineering in Al Ain University of Science and Technology –Al Ain Campus- organized the “Second Annual Ceremony” of the college under the supervision of Dr. Nazih Khaddaj Mallat –Dean of the College of Engineering, which coincides with the end of the academic year 2016-2017 and aims to honor the distinguished students in academic, sports and community activities.

The ceremony was attended by Prof. Ghaleb El Refae –AAU President, Prof. Abdulhafid Belarbi –AAU Vice President (Al Ain Campus), College’s Deans, AAU academic staff and the College of Engineering students.

Prof. El Refae expressed his pride in the distinguished students, especially the winners and

participants of the 12th IEEE UAE Student Day, stressing on the need of the College of Engineering to take care of the scientific researches in its academic plans for the coming years.

For his part, Dr. Khaddaj Mallat welcomed the attendees and provided his special thanks to the academic staff and students of the college for their efforts through the academic year 2016-2017, expressing his happiness in the spirit of cooperation and integration among them and wishing everyone more success.

After that, Prof. El Refae and Dr. Khaddaj Mallat honored the outstanding students in the academic field, distinguished students in the sports activities and the volunteers in the community activities.

At the end of the ceremony, a cultural competition was organized to entertain students pertaining to the end of the academic year as well.
