AAU and “TAWAM” discusses on "Cancer and Ways of Protecting it"

On the occasion of the World Cancer Day, the Deanship of Student Affairs at Al Ain University of Science and Technology, Al Ain Campus, organized an awareness lecture entitled “How to protect ourselves from Cancer?” In conjunction with Tawam Hospital, presented by Dr. Hassan Jafaar from Tawam Hospital and attended by academic, administrative staff and students.

Dr. Jafaar discussed the types of cancer, the causes and how to avoid it, as well as, the periodic examination methods and its effective role in the early detection of infection.

This lecture comes from the belief of AAU in its social responsibilities towards its employees, students and society, and to promote health awareness.

At the end of the lecture, the discussion was opened for questions, and Dr. Ibtehal Aburezeq, Dean of Student Affairs, honored Dr. Hassan for his attendance and his efforts in presenting the lecture.
