## AAU provide its programs at “Education Interface”

Al Ain University of Science and Technology participated in the 5th edition of Education Interface exhibition, held over two days under the patronage of Lt. General H.H Sheikh Saif bin Zayed Al Nahyan, Deputy Prime Minister and Minister of Interior.

While the participation, the university offered its programs, grants, educational opportunities and distinguished services for students. The booth also witnessed a high turnout among school students, their families and those in the education sector.

Mr. Rami Kayed, Director of Students Recruitment Unit said that the university offers its students various programs that contribute greatly to building and expanding their knowledge and offering them many advantages and facilities. He also pointed out that the "Education Interface" exhibition is an opportunity to learn about educational programs and exchange experiences.
