Al Watan Team Honors the Engineering Students at AAU

Al Watan Volunteer Team honored the College of Engineering students at Al Ain University of Science and Technology for their cooperation in various fields of creativity and innovation, in addition to, that the students designed a website for the team that was admired by everyone, and it was supervised by Dr. Samir Mohammed from the College of Engineering.

Mr. Jaber Al Ahabbi, the director of Al Watan Team, has honored the students at the "First Volunteer Forum" held at Al Ain Police Officers Club under the patronage of Sheikh Sultan bin Mohammed bin Khalid Al Nahyan. The forum was attended by a number of academic staff from the College of Engineering as representatives of the university.

For his part, Dr. Smir provided his special thanks to Al Watan Team for giving the AAU students the opportunity to serve the community, and look forward to further corporation between both parties in the near future.

This honor came within the framework of the keenness of Al Ain University of Science and Technology and Al Watan Volunteer Team to activate the community role, spreading the thought of voluntary work, and in line with the directives of the wise leadership in instilling love, belonging, motivating and giving to the homeland.
