AAU hosts H.E Matar Al Neyadi

Al Ain University of Science and Technology represented by the College of Business at Abu Dhabi campus, hosted His Excellency Dr. Matar Hamed Al Neyadi, Undersecretary of the UAE Ministry of Energy & Industry, to present a lecture entitled Social Responsibility and its role in Energy conservation, in the presence of Dr. Amer Qasem, AAU Vice President, academic staff, and AAU students.

His Excellency stressed the need to educate youth in the field of consumption and energy conservation to establish social responsibility, involve young people in the march of social development, and encourage them to preserve natural resources for future generations, to contribute in various projects and initiatives, and suggest new ideas that contribute in community development.

H.E. Al Neyadi thanked Al Ain University for organizing the seminar and stressed the need to continue educating students about energy conservation. As well as; he praised the student's interaction with the lecture and their awareness in their important role to build a sustainable

future for the UAE.
