## **Al Ain University participates in “TAWDHEEF”**

Al Ain University represented by the Student Recruitment Unit participated in the 14<sup>th</sup> edition of the Tawdheef exhibition 2022.

This venue was a chance to showcase AAU’s programs which now include 22 undergraduate programs, 8 Master’s programs, as well as a Professional Diploma in Teaching across 6 colleges (Engineering, Pharmacy, Law, Education, Humanities and Social Sciences, Business and Communication and Media). It also gave students and visitors the opportunity to submit applications on the spot.

Students and visitors also learned about the electronic services provided by the university, including the electronic portal service, electronic registration, and smart application, which all aim to facilitate dealing with the academic system of the university, provide the largest amount of information to students and visitors, improve the services provided to them, and keep pace with technological development.

As for the extracurricular aspect, the Al Ain University platform allowed students and visitors to learn about the recreational and service facilities that the university provides for its students to meet their cognitive, emotional, and skill needs.

The university's participation in the exhibition aims to attract students from different countries, provide them with the opportunity to receive high-quality education and obtain a degree from a university that is internationally accredited by prestigious academic accreditation organizations.

Mr. Rami Kayed, Manager of the Student Recruitment Unit, stressed that Al Ain University is keen to participate in various educational exhibitions locally or internationally, which enhances direct communication with students and reflects a positive image of the university at all levels.
