## Al Ain University participates in the Abu Dhabi International Book Fair 2024

Al Ain University participated in the 33rd edition of the Abu Dhabi International Book Fair 2024, held at the Abu Dhabi National Exhibition Centre. The university's participation included showcasing its scholarly publications authored by a distinguished group of professors in various fields such as law, education, business, media, information technology, and others.

Among the prominent books featured in the pavilion is "The United Arab Emirates: Between the Fragrance of the Past and the Outlook of the Future," authored by Her Highness Dr. Shamma bint Mohammed bin Khalid Al Nahyan, with contributions from an elite group of professors at the university.

Through its participation, Al Ain university aims to contribute to the enhancement of knowledge and skills among academics, researchers, intellectuals, and those interested in scientific and research fields. It seeks to explore ways to establish collaborative relationships with cultural

entities and specialized organizations participating in the fair, as well as engage with prominent intellectuals and media figures attending the event.
