College of Pharmacy Students at Al Ain University Win Six Prestigious Awards at DUPHAT 2025

Students from the College of Pharmacy at Al Ain University have achieved remarkable success by winning six distinguished awards during their participation in the Dubai International Pharmaceuticals and Technologies Conference and Exhibition (DUPHAT 2025). Competing against peers from global universities, the students demonstrated innovation and research excellence that set Al Ain University apart in the field of pharmacy.

The awards were as follows:

1. 1st Best Quality Pharmacy Poster Award

- **Supervisor:** Dr. Walaa Mousa
- **Students:** Aya Ali, Sama Ahmad, Mohga Abu Samak, Fatima Alzahra Alsaadi

2. 1st Best Structured Pharmacy Poster Award

- **Supervisor:** Dr. Kareem Abdu

- **Students:** Nermen Mohamed, Yasmin Bashar
- 3. **4th Best Creative Pharmacy Poster Award**
 - **Supervisor:** Dr. Nadia Hussein
 - **Students:** Dalia Shahin, Iman Elsayed, Nada Elgharbawy
- 4. **5th Best Thematic Pharmacy Poster Award**
 - **Supervisor:** Dr. Nadia Hussein
 - **Students:** Heba Omer, Raghad Hammadeh, Shama Mustafa
- 5. **5th Best Organised Pharmacy Poster Award**
 - **Supervisor:** Dr. Rose Ghemrawi
 - **Students:** Tala Albarjas, Shaimaa Albitar, Dania Alswaitti
- 6. **6th Best Outstanding Pharmacy Poster Award**
 - **Supervisor:** Dr. Mohammad Alahmad
 - **Students:** Rahma Hareth, Shaima Hareth, Mohannad Osama, Abdelrahman Abden

These awards highlight the dedication of the students and their faculty supervisors in achieving academic and research excellence, fostering innovation, and developing pioneering research projects that offer effective solutions to challenges in the pharmacy and healthcare sectors. They also affirm Al Ain University's position as a leading educational institution committed to advancing innovation and scientific research.

Professor Dr. Mohammad Ghattas, Dean of the College of Pharmacy, congratulated the winning students, saying: "This outstanding achievement reflects the dedication and talent of our students and faculty members. It also demonstrates Al Ain University's commitment to preparing future leaders in pharmacy and healthcare."

These successes embody Al Ain University's commitment to preparing its students for global excellence by focusing on education, research, and community service, contributing to academic distinction and creating a tangible impact on the development of the healthcare sector.
