Overview

Established in 2004, Al Ain University of Science and Technology (AAU) opened the doors to its first student cohort in 2005. Constantly innovating, AAU expanded its facilities by opening a second campus in Abu Dhabi in 2008, offering programs in Business and Law. Having begun with three colleges (Engineering, Business, Education, Humanities and Social Sciences), the University has continued to expand its program offerings which now include 15 undergraduate programs across six colleges (Engineering, Pharmacy, Law, Education, Humanities and Social Sciences, Business and Communication and Media) and seven Master's programs, as well as a Professional Diploma in Teaching.

AAU is licensed to operate under the auspices of the UAE Ministry of Education (MoE). AAU continues to successfully seek international accreditation of its programs by respected educational bodies. The College of Engineering is accredited by the US-based Accreditation Board for Engineering and Technology (ABET), The University's Bachelor of Pharmacy program has the distinction of being the first in the UAE to be granted International Certification by the prestigious Accreditation Council of Pharmacy Education (ACPE) in the US. Whilst the University's Bachelor of Law program received accreditation from the Supreme Council for Evaluation, Research and Higher Education (HCERES) in France.
