

# Al Ain University of Science and Technology

English Language Center > Goals and Objectives

## Goals and Objectives

- Provide English Language instruction to enhance students' proficiency and enable them to attend college courses offered in English as a medium of instruction.
- Prepare students to sit for international standardized tests such as TOEFL or IELTS and obtain the test scores required by the University and Ministry of Higher Education.
- Offer Language instruction to members of the wider community to help them gain communicative skills in specific areas such as Academic English, Business English, Medical English, Secretarial English, etc.
