## SCIENTIFIC EXCELLENCE COMPETITION

Al Ain University of Science and Technology in its both campuses Abu Dhabi and Al Ain, is organizing the Scientific Excellence Competition annually for the schools students, which is one of the first competition of its kind at the level of UAE universities.

The idea of the competition is to compete among the selected teams from each school by asking a variety of questions in literature, science, arts and technology. Accordingly, the winning teams will be filtered until the finals, eventually determining the winners of the three first places, where, the university has awarded valuable prizes to the winning schools.
